DETAILED ACTION

Response to Arguments

1. Applicant's arguments, see request for reconsideration, filed 08 November 2004, with respect to the claims have been fully considered and are persuasive. The rejection of claims 1, 2, 9 and 10 has been withdrawn.

Allowable Subject Matter

2. Claims 1-16 are allowed.

3. The following is an examiner's statement of reasons for allowance: Regarding claims 1-16, the prior art does not teach or fairly suggest a white balancing method or apparatus which determines the luminance level of a subject, divides the image plane into a plurality of areas, acquires color information of each area, sets at least one determination frame indicating at least a color distribution range of a light source, finds a number of areas belonging to the determination frame, determines a type of light source with which the subject is illuminated according the luminance level of the subject and the number of areas belonging to the determination frame and adjusts a white balance according to the type of light source determined as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
